

## HOME SERVICE INFORMATION

### ELIGIBILITY

This service is available to those who are temporarily or permanently unable to visit the Library due to an illness, disability, or other qualifying circumstances. If you live in a senior living facility, please check if your facility currently receives Mobile Library services.

### HOW TO SIGN UP

Complete the application inside this brochure or online with your contact information and what kinds of items you would like to receive. Return the application to the Library (in person, by email, or mail) and staff will contact you.

### HOW IT WORKS

Based on your preferences, we will select materials and check them out to your library card. (Don't have a card? We can get you one!) A volunteer will make a scheduled visit to deliver your new materials and return your finished items.

### COST

This service is free and late fines will not be charged. However, if an item or bag is lost or damaged, you will be responsible for the cost.

### SAFETY

All staff and volunteers have passed background checks. For the safety of all parties, volunteers are not allowed to enter your home. You will exchange your items at the door.

## BEYOND THE LIBRARY

### TALKING BOOKS & BRAILLE LIBRARY

Talking Books is a free service available to individuals who cannot read printed materials. Participants receive an easy-to-use digital talking-book player (no CD player needed) and audiobooks through the mail. Contact us for more information and applications.

Download eBooks, eAudiobooks, eMagazines, movies, music, and TV shows to your computer, tablet, or phone. Contact us for more information.
